Are you able to assist us?

Maybe you know someone who has just what we are looking for!

Miners Corp Essentials {MCE} are constantly seeking business which could have products or services to suit our consumer!

From the many enquiries coming through, we are seeking assistance to obtain knowledge of further business's that may be able to help with our recommendations,

For example only yesterday, a client inquired if we could recommend a venue suited to their needs? They were after a well positioned venue to hold their seminar for 20 people.. ...

Would you know of a venue that would suit this?
