## *Created for Miners by Miners, Supporting the WORKER!*

Welcome to Miners Corp Essentials,

Miners Corp Essentials (MCE) is a Western Australian owned and operated company that began in 2005 based in Regional Mandurah W.A, operating throughout Australia and International.

Created by a Miner for a Miner to support and give back to our fellow work mate, by providing crucial services and product to suit the "WORKER" of Industry.

We provide personal structure around what strengths are required to be a success in the mining and resources sector. We know the mining industry because we work in it and we understand what it takes to become part of the trusted mining community.

Our sole purpose is to help build a better, brighter, safer future and to share the knowledge and skills recognized by those who work in the industry. Our aim is to help and support miners, workers and to bridge the gap between the general public, local communities, the employer, the employee.

This information helps to guide and educate others about life skills so miners, workers survive and thrive in fly in/fly out or drive in/drive out environment.

## *Supporting and giving back to fellow work mate!*

**Our vision, mission & values, aligns to the core of an UG Miner's oath!**

**"A miners pledge, we are family, we are united, we all stand together as one"**

**Our core:** To give back and provide awareness, knowledge to all who put a pair of work boots on, the "Worker"!

**Our Goal:** To bring communities together, not to isolate them, to create stability within an unstable choice of living.

**Our Emblem:** Stands for two hands locked, as together we must stand to bring each other home, Safe & Sound.

**Our Existence:** Formed from Workers chasing an honorable life, belonging amongst a mate ship, ground in from Pride Respect and Courage shaped from common ground.

**Our strength** is our community bond and interactive communication, when shared amongst us it provides for the Ultimate Health and well-being to a stable mental environment!

## Note from "BOW" CEO and founder of Miners Corp Essentials

*Since our start the support from miners has been overwhelming not only in Australia but across the world as well and we are now supporting miners in over 25 countries.*

*Due to a phenomenal requirement of our services, we are seeking your support. This will help us reach and support more employees both in Australia and abroad.*

*Join and show that you not only support us but the very person the core of your business, the employee.*

**Miners Corp Essentials [MCE]** goal is to bring communities together, not to isolate them, create stability within a very unstable choice of living.

We are the Australian worker trying to help, help ourselves and unite the working communities.

MCE commenced from one man, a proud Australian UG miner, that felt so strong and passionate to help his fellow workmates, he put his hard earned money where his mouth is!
